RECOVERY AGREEMENT

Recovery applications are available to applicants with twenty-eight (28) days of sobriety verified by an approved rehabilitation center or clergy, program sponsor, legal advisor or officer of the court. However, all applicants will be reviewed on a case by case basis. Applicants not meeting admission requirements will be placed on a call-in status.

All applicants are subject to drug and/or alcohol testing.

Recovery agreements are on an eight (8) month basis and fees are due weekly.

The weekly fees are due on Friday of each week between 5:30 PM—6:30 PM.

All residents not employed will be actively seeking employment each day by 8:30 AM. No reasonable job offer is to be refused without prior approval of The Lighthouse Management. All voluntary terminations of employment or job changes must have the same prior approval.

DRUG TEST POLICY

All applicants will provide a list of prescribed medication from their physician on letterhead. Additionally, all applicants will provide a list of over-the-counter medication taken with any regularity.

Any resident testing positive for drug use and disputing results will be re-tested immediately.

If subsequent testing is positive and the resident wishes to continue the dispute, they will without delay leave the premises. If they choose, the resident may, at their expense, obtain an independent test at the medical facility chosen by The Lighthouse. The resident must remain off Lighthouse property pending results. Should this test prove negative for drug use, the resident will be re-instated and reimbursed for the cost of the test. No other expenses are reimbursable.
